

COMPANY PROFILE

ABOUT US

At Bhani Consulting, we provide 100% independent and software-agnostic consulting services that take a holistic approach to Business system implementations. Our team is with you every step of the way, whether you're starting from scratch or upgrading existing systems. We are trusted partners who lead from the front and provide support throughout the process.

Our proven track record of transforming businesses and achieving growth speaks to our success in streamlining processes and improving customer experience. We understand the challenges of automating business processes, including systems selection and implementation.

If you're a growth-oriented leader seeking to enhance productivity and customer experience, we would be thrilled to hear from you. Our genuine partnerships drive innovation for your digital future. Contact us today to initiate your transformation journey.

OUR SERVICES

DIGITAL STRATEGY ROADMAPS

Develop roadmaps that provide clarity on the sequence of projects, planning and capability building

CAPABILITY BUILDING

Coach and train your team to support software implementation projects (Business analysis, reporting, quality management, security & much more)

SOFTWARE SELECTION (RFP)

Enterprise Analysis and end-to-end management of software vendor and implementation partner selection.

PROJECT RESCUE

We roll our sleeves and jump to help when your project is going south. You are facing issues due to budget, time, quality and change.

PROJECT MANAGEMENT

Manage software implementations, reporting, governance, project controls and monitoring.

CHANGE MANAGEMENT

Managing change and taking all stakeholders onto a successful journey
